

§ 26-38. Hunting by minors

(a) Any person over the age of eighteen years who holds a firearms hunting or archery hunting license may, while hunting with firearms or bows, be accompanied by not more than two minors between the ages of twelve and sixteen years who may hunt with firearms or bows if such minors hold a junior firearms hunting or junior archery hunting license, and provided such person and such minors shall not carry more than one gun or bow each. Such licensee shall be responsible for the observance by such minors of all game laws and regulations made by the commissioner. No provision hereof shall affect the right of persons over the age of eighteen years exempt from license requirements to be accompanied by a minor, provided the other provisions hereof shall be observed.

(b) Any person under sixteen years of age may trap, provided such person has a license to trap and a certificate of competency issued under subsection (a) of section 26-31.
